MEMORANDUM FOR: Director of Central Intelligence  
Deputy Director of Central Intelligence

FROM: Chief, Interdepartmental Affairs Staff, OPP

SUBJECT: DCI Testimony on Counterintelligence

1. The attached material is for your testimony on counterintelligence before Senator Chafee's SSCI Subcommittee scheduled for 10:00 a.m. tomorrow. There is probably more here than you wish to take along, but you may want it for your final preparation. ☐

2. Your testimony was reviewed by Gates, ☐ We made only a minor change to Page 8 after giving you a copy at 1:30 today. While not perfect, we believe that it provides a balanced overview of U.S. CI activities. It addresses directly the issues you indicated:

--the threat

--technology

--coordination

--organization

--training

It also addresses the Senator's central question regarding the existence of a national, coordinated counterintelligence program. You may want to decline providing your prepared text to the Subcommittee, especially if you make changes to it. ☐

3. Included also are draft talking points. I hope they can serve as a basis and framework for your actual remarks. ☐

4. ☐ will accompany you tomorrow to provide whatever backup you may need. ☐

Good Luck!
